

School Performance Fact Sheet

“Believing in Brighter Futures”

As of 01/01/2011, the data to be disclosed would be that data as of 07/01/2010 if the course was in place as of that date, therefore the information would be that for the Calendar year 2009 and 2008 for placement.

Course Title: Medical Billing and Coding

Cohort population: Means the number of students that began a program on a cohort start date.	Students 32		
Cohort start date: Means the first class day after the cancellation period during which a cohort of students attends class for a specific program.	From 01/01/2008	To 12/31/2008	
Graduates: Means the number of students who graduated within 100% of the published program length or completed the program within 150% of the published program length.	Graduates within 100% 23	Completers within 150% 0	Total 23
Graduates/completers available for employment: Means the number of graduates and completers minus the number of graduates and completers unavailable for employment.	Graduates 23	Completers 0	Total 23
Graduates/completers employed in the field Means graduates and completers who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.	Graduates 16	Completers 0	Total 16
Graduates and completers unavailable for employment Means graduates and completers who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education at an accredited or bureau-approved postsecondary institution.	Graduates 0	Completers 0	Total 0
Students available for graduation and completion Means the cohort population minus the number of students unavailable for graduation and completion.	Students 32		
Students unavailable for graduation and completion Means students who have died, been incarcerated, or called to active military duty.	Students 0		
Completion rates (c / g) Calculated by dividing the number of graduates/completers by the number of students available for graduation/completion. Or an institution may report graduation data reported to, and calculated by, the Integrated Postsecondary Education Data System of the United States.	Graduates Percentage 71%	Completers Percentage 0%	Total % 71%
Placement rates (e / d) Calculated by dividing the number of graduates/completers employed in the field by the number of graduates/completers available for employment.	Graduates Percentage 70%	Completers Percentage 0%	Total % 70%

School Performance Fact Sheet

“Believing in Brighter Futures”

License examination passage rates (Current cohort dates) Calculated by dividing the number of graduates who pass the examination by the number of graduates who take the licensing examination the first time that the examination is available after completion of the educational program.	Graduates N/A Percentage	Completers N/A Percentage	Total N/A %
---	---	--	------------------------------

Combined licensing data from two prior years Calculated by dividing the number of graduates who pass the examination by the number of graduates who take the licensing examination the first time that the examination is available after completion of the educational program.	Graduates N/A Percentage	Completers N/A Percentage	Total N/A %
---	---	--	------------------------------

Salary Data History

Salary/wage \$ Ranges	Graduates	Completers	Total
\$1.00 to \$5,000.00	0	0	0
\$5,001.00 to \$10,000.00	0	0	0
\$10,001.00 to \$15,000.00	0	0	0
\$15,001.00 to \$20,000.00	4	0	4
\$20,001.00 to \$25,000.00	3	0	3
\$25,001.00 to \$30,000.00	4	0	4
\$30,001.00 and more	5	0	5

Salary and wage information, consisting of the total number of graduates employed in the field and the annual wages or salaries of those graduates stated in increments of five thousand dollars (\$5,000).

Sources of the information reported on this School Performance Fact Sheet may be obtained from the institutional records at the administrative offices during business hours.

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

School Performance Fact Sheet

“Believing in Brighter Futures”

As of 01/01/2011, the data to be disclosed would be that data as of 07/01/2010 if the course was in place as of that date, therefore the information would be that for the Calendar year 2009 and 2008 for placement.

Course Title: Vocational Nursing

Cohort population: Means the number of students that began a program on a cohort start date.	Students 167		
Cohort start date: Means the first class day after the cancellation period during which a cohort of students attends class for a specific program.	From 01/01/2008	To 12/31/2008	
Graduates: Means the number of students who graduated within 100% of the published program length or completed the program within 150% of the published program length.	Graduates within 100% 118	Completers within 150% 0	Total 118
Graduates/completers available for employment: Means the number of graduates and completers minus the number of graduates and completers unavailable for employment.	Graduates 118	Completers 0	Total 118
Graduates/completers employed in the field Means graduates and completers who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.	Graduates 82	Completers 0	Total 82
Graduates and completers unavailable for employment Means graduates and completers who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education at an accredited or bureau-approved postsecondary institution.	Graduates 0	Completers 0	Total 0
Students available for graduation and completion Means the cohort population minus the number of students unavailable for graduation and completion.	Students 167		
Students unavailable for graduation and completion Means students who have died, been incarcerated, or called to active military duty.	Students 0		
Completion rates (c / g) Calculated by dividing the number of graduates/completers by the number of students available for graduation/completion. Or an institution may report graduation data reported to, and calculated by, the Integrated Postsecondary Education Data System of the United States.	Graduates Percentage 70%	Completers Percentage 0%	Total % 70%
Placement rates (e / d) Calculated by dividing the number of graduates/completers employed in the field by the number of graduates/completers available for employment.	Graduates Percentage 70%	Completers Percentage 0%	Total % 70%
